WORK EXPERIENCE

Pehr Designs

2023 – 2026

E-Commerce Specialist / Customer Service Lead
Toronto, Canada

- Managed daily operations for US, Canada, and Wholesale Shopify Plus storefronts, optimizing site merchandising, UX, and product updates.
- Implemented an AI chatbot and automated support workflows, improving customer support efficiency by 45%.
- Analyzed sales, traffic, and inventory data to inform product strategy and deliver KPI reports to leadership.
- Supported omnichannel product launches across eCommerce, Amazon, Drop Ship, and Wholesale channels while executing digital campaigns and A/B tests.
- Led the consolidation of retail inventory into a centralized eCommerce system, organizing and migrating 3,000+ SKUs while maintaining accurate listings and stock levels.

Goldspan Labs

2022 – 2023

Junior Web Developer
Toronto, Canada

- Built responsive web applications using JavaScript and React, improving cross-browser compatibility by 30%.
- Collaborated with developers to code, test, and debug web applications for B2B software products.
- Contributed to the development of internal digital tools by participating in agile development and code reviews.

Juno College of Technology

2022 – 2023

Lead Web Development Mentor
Remote, Ontario

- Mentored 30+ web development students during bootcamp office hours and class sessions.
- Guided students in solving technical challenges related to JavaScript, React, and front-end development projects.
- Provided learning resources and debugging support to help students complete course projects successfully.

Community Foundation of Mississauga

2020 – 2021

Event Assistant

Mississauga, Ontario

- Negotiated with vendors and reduced event costs by 15% for a virtual fundraising gala.
- Researched platforms, tools, and sponsorship opportunities to support two large-scale community events.

Uniqlo

2018 – 2020

Sales Associate

Mississauga, Ontario

- Delivered high-quality customer service, contributing to a 15% increase in customer satisfaction ratings.
- Assisted customers with product discovery and cross-store inventory checks to improve purchase success rates.

Dynamite

2015 – 2018

Sales Representative

Mississauga, Ontario

- Surpassed sales targets by 20% through strong customer relationship building.
- Trained and onboarded new team members to improve sales floor performance.
